*by Ms. Gilda and Ms. Sharyn*

Dear 2's Families,

We have just completed our 2nd week of school! We are so proud of your children, they are adjusting to their first school experience and are doing great! Slowly they are learning our schedule and routines. They are beginning to follow instructions such as lining up when it's time to move from outside to inside; holding on to the rail to go up/down the stairs; washing hands before snack; sitting in chairs for snack and putting their cups in the garbage after snack; sharing toys; sitting on a shape on the carpet for circle time, and of course also having fun playing, singing, building, and doing art. Separation from you or your caretaker at drop off might still be hard for some of them, but slowly they are getting used to the teachers and friends.

It's been pretty warm so playing in the playground is a time enjoyed by all. On rainy days we will be in Parish Hall. We will meet you inside where we meet for pickup.

Every day we have an Art Project. This week the children colored pre-cut paper apples and we talked during snack about the different colors of apples and read some books about how apples grow.

The children also decorated placemats with their name that they'll use during snack time.

### **HAPPY BIRTHDAY CAPRI!**

### **TRANSITIONAL SONGS**

“Good Morning”; “Are You Listening?”; “Hold On To The Rail”; “The Placemat Song” (for snack); “Clean Up”; and “It’s Time To Say Goodbye To All Our Friends”

### **BOOKS**

“Autumn Leaves are Falling” by Maria Fleming, “Let it Fall” by Maryann Cocca Leffler, “Apples” by Erika Shores, “Up, Up, Up it’s Apple Picking Time” by Jody Fiches Shapiro

## REMINDERS

There is No School on Monday, September 25th due to Yom Kippur  
Have a nice weekend!
