St. John's Nursery School 2's Newsletter

By Ms. Gilda and Ms. Sharyn

Dear 2s Families,

It is hard to believe that we're at the end of May and almost the end of our school year! The year seems to have flown by and Sharyn and I have had so much fun being part of your child's learning journey and watching them transform. All seem to have had a great 2's experience in our school!

As always we've been very busy these last two weeks. The children made "Marble Paintings in a Box", they all enjoyed placing the paint on the paper inside the box and shaking it around with marbles to make beautiful art. Some chose to use cars to make car tracks.

The children love playing with our pretend foods - especially our ice cream set. We talk about our favorite flavors and how much we love ice cream. The children decorated pictures of ice cream cones with watercolors and sprinkles on top!

They also loved making snails and reading "So Slow" by Dave & Julie Saunders.

Painting rainbows with dotters is also fun!. The children love sharing colors with their friends and were very proud of their creations!

We celebrated three birthdays in our classroom! Happy birthday to Olivia, Claire and Julia!
Thank you for the yummy treats and for sharing your favorite books with us.

We had Ms Melissa and Ms Sue these last 2 weeks and we had our last classes this week. The children already know most of the poses for “Downward Dog”, “Fly Like a Butterfly” and “Tick, Tock, Little Yoga Clock”

Ms Ericka introduced the children to some sea animal names like “el cangrejo” (crab), “el pulpo” (octopus), “el delfin” (dolphin), “la ballena” (whale) and “la Tortuga de mar” (sea turtle).
