

Dear parents,

We love exploring different ways of putting paint on paper and this week we painted with fruit: lemons, limes, and orange halves, stamping beautiful citrus prints. The room smelled deliciously of citrus! Your children enjoyed matching the paint color to the fruit and seeing the circular halves and triangular fruit sections appear on their paper. At snack time, everyone had a turn using a citrus juicer and squeezed an orange half to make their own juice. We heard “can we make more, it’s delicious!”

We made bead necklaces to celebrate St Patrick’s Day on Tuesday! The children love beading.

Also this week, we painted at the easel using paintbrushes. The children mixed beautiful spring colors to fill their easel paper, it is a beautiful open ended process.

There is so much chitter chatter going on! We are seeing the kids really imagine and play together more and more each day. I had to include photos of the buildings they are creating with blocks, legos and meals they are sharing in the kitchen. Kids are really practicing sharing and exploring play in bigger groups. It is such a treat to watch and hear them work together, negotiate and have fun together.

Books we read include:

I Broke My Trunk by Mo Willems
Eating the Alphabet by Lois Ehlert
The Night Before St. Patrick's Day by Natasha Wing
Stick and Stone by Beth Ferry

Have a good weekend! See everyone Monday!

Ms. Leslie, Ms. Ryan and Ms. Insley
