

Dear parents,

We love exploring different ways of putting paint on paper and this week we painted with fruit: lemons, limes, and orange halves, stamping beautiful citrus prints. The room smelled deliciously of citrus! Your children enjoyed matching the paint color to the fruit and seeing the circular halves and triangular fruit sections appear on their paper. At snack time, everyone had a turn using a citrus juicer and squeezed an orange half to make their own juice. We heard “can we make more, it’s delicious” and “yummy”! We also sampled “sour” lemons and limes and made lots of funny, sour faces!

We made bead necklaces to celebrate St Patrick’s Day on Tuesday! The children love beading.

Also this week, we painted at the easel using paintbrushes. The children mixed beautiful spring colors to fill their easel paper, it is a beautiful open ended process.

Books we read include:

The Night Before St Patrick’s Day by Natasha Wing

The Napping House by Audrey Wood

The Rainbow Fish by Marcus Pfister

Be Kind by Pat Miller

And we are singing our kindness songs everyday:

I LIKE YOU and THE MORE WE GET TOGETHER

Have a good weekend,
Andrea, Cara, and Kate
